

BEYOND MATHS

PRIMARY SCHOOL CHALLENGE 2020

Thank you for participating in this year's Beyond Maths competition.

Although we had to do things a little differently, the end goal was the same - to encourage pupils to enjoy Maths beyond the classroom!

Well done to each and every one of you who took part in Round 1, which was written at your own school. Only the top +-40 pupils in each level were invited to write Round 2 at Glenwood Prep.

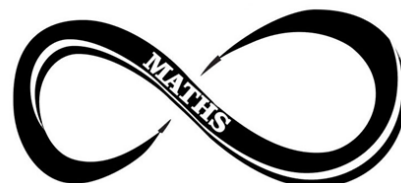

Congratulations to you for placing in the top 30 in your level!
(The full set of results is on the back of this page.)

I would like to thank these sponsors for their generous contributions:
